DAVINCI GREENSMART ELECTRIC FIREPLACES™

The Pinnacle of Luxury, Holographic,
Zero-Emission Electric Fireplaces

Discover the ultimate in holographic electric fireplace innovation with our DaVinci GreenSmart Electric Fireplaces™, where luxury seamlessly blends with technology.

Enjoy ultra-realistic flames brought to life through the reflection of three dimensional flames on and around our high definition logs, creating an unparalleled visual experience.

Take full control of your fireplace with smart features via our GreenSmart™ app, remote, or voice control, allowing you to customize flame style, colors and height, including controls for the glowing logs and live fuel bed.

With adjustable heat output, you can add warmth on cool days or enjoy a captivating flame display without heat for year-round enjoyment.

Effortless installation, versatile elegance, and a unique sensory experience make our GreenSmart Electric Fireplaces™ the epitome of efficiency and sophistication.

Experience the
DaVinci GreenSmart
Electric Fire

LODGE FIRE

Bold flames impart a visual warmth like a traditional wood fire.

URBAN FIRE

Contemporary fire in your choice of orange, yellow or white flames.

AUDIO/VISUAL

Lodge and Urban fires both feature synchronized crackling fire audio and sparks with smoke to create a one-of-a-kind electric fire.

CUSTOMIZED LED LIGHTING

Choose color options and intensity for (1) live glowing logs, (2) downlight,
(3) live fuel bed, (4) ambient lighting.

- Large split, high-definition logs
- Highly-detailed mixed media live fuel bed
- Fluted fireback

AMBIENT LIGHTING (optional)

FOUR DESIGN CONFIGURATIONS

The DaVinci GreenSmart Electric Fireplaces™ can be converted from Single-Sided to a Left Corner, Right Corner, or Bay Window configuration.

Single-Sided

Right or Left Corner

Bay Window

CONTROL - ENTERTAINMENT CENTER

Enjoy full control of your fireplace with our GREENSMART™ APP, REMOTE, GOOGLE HOME/ALEXA or our ON-BOARD MANUAL CONTROLS. Adjust flame style and height, flame color, down lighting, glowing logs, live fuel bed, crackling fire audio, sparks and smoke, room temperature, ambient room lighting, and Eco-Mode. Create and save your favorite settings.

GREENSMART ELECTRIC

31 FIREPLACE INSERT

DAVINCI GREENSMART™ ELECTRIC FIREPLACE INSERT INSPIRED BY NATURE. POWERED BY INNOVATION.

LUXURY WITHOUT LEAVING A TRACE

Inspired by the untouched beauty of Washington's Olympic National Park, DaVinci GreenSmart™ Electric Fireplace Insert blends innovation and artistry to create lifelike holographic flames — without smoke, ash, or emissions. With no venting, gas lines, or chimneys required, installation is effortless and impact-free.

WHERE SUSTAINABLE DESIGN MEETS THE ART OF FIRE

Timeless elegance meets feature-rich modern innovation in every DaVinci GreenSmart™ Electric Fireplace Insert. Take full control of your fireplace insert with smart features via our GreenSmart™ app, remote, or voice control, allowing you to customize flame style, colors and height, including controls for the glowing logs and live fuel bed.

FIRE, REDEFINED FOR THE MODERN HOME

The DaVinci GreenSmart™ Electric Fireplace Insert captures the essence of real fire by offering adjustable heat output. Add warmth on cool days or enjoy a captivating flame display without heat for year-round enjoyment.

31 GreenSmart Electric Insert featuring
the Lodge Fire and Insert Wiring Kit.

THE ONLY FIREPLACE INSERT FEATURING CUTTING-EDGE, HOLOGRAPHIC FLAME TECHNOLOGY

Revolutionize your outdated fireplace with the new 31 DaVinci GreenSmart™ Electric Fireplace Insert — a zero-emission solution that transforms your inefficient masonry or gas fireplace into a clean, eco-friendly centerpiece.

TRANSFORM YOUR EXISTING FIREPLACE IN ONE DAY.

Choose from two standard panel options, or fit your uniquely sized or shaped fireplace with custom panels. For a sleek, seamless appearance, add the optional hardwiring kit to eliminate visible cords, and enhance your space with the stylish ambient lighting kit for the perfect mood and room styling.
